**Public Forum on Oak Park Property Taxes
at the Nineteenth Century Club on March 23**

On Thursday, March 23, 2017, Oak Park Township Assessor Ali ElSaffar and Illinois State Senator Don Harmon will be co-hosting a public forum for Oak Park residents to discuss the current state of Oak Park property taxes. The forum will take place at the Nineteenth Century Club, located at 178 Forest Avenue in Oak Park, between 7 and 9 PM.

The main purpose of the forum is to address questions Oak Park residents have about the impact of the recently mailed triennial reassessment notices on property tax bills. We will also be discussing the tax impact of the two property tax referendums that will appear on the ballot in April.

The forum will include a presentation as well as a question and answer period to address these issues and any other aspects of the tax system of concern to those attending.

This event is free and open to the public. For additional questions, please call the Oak Park Township office at 708-383-8005 or visit www.oakparktownship.org.
